COUNTRY PROFILES

GERMANY

Group: A
Capital: Berlin
Population: 83.3 million

Religion: 64% Christian (mainly Lutheran and Roman Catholic)
2.1% Evangelical

What to pray for: Evangelical churches to be faithful in their witness, amidst the dangers of liberalism and secularism.

Did you know? In a recent survey, 44% of Germans consider themselves to be 'non-religious' and around 27% believe there is no God or 'higher spiritual power'.

SPAIN

Group: B
Capital: Madrid
Population: 47.5 million

Religion: 77% Christian (mainly Roman Catholic)
1.0% Evangelical

What to pray for: There has NEVER been a revival in Spain! More than 90% of Spain's 8,132 municipalities have no evangelical church. Pray that new churches will be planted in these areas.

Did you know? The Reformation was ruthlessly stamped out in Spain by the infamous Spanish Inquisition. There was a 'Second Reformation' in Spain in the 1860s.

SERBIA

Group: C
Capital: Belgrade
Population: 7.1 million
Religion: 80% Christian (mainly Serbian Orthodox)
0.6% Evangelical

What to pray for: That God will raise up new leaders and churches focused on the Gospel. A hunger for God's Word: many families own a Bible but few read it.

Did you know? Orthodox Christianity has been the dominant religion since the 12th century and is an important part of Serbian national identity. Bible translations into Serbian started to appear in fragments in the 11th century. The first published complete translations were made in the 19th century.

POLAND

Group: D
Capital: Warsaw
Population: 41 million

Religion: 90% Christian (mainly Roman Catholic)
0.3% Evangelical

What to pray for: Faithful Bible-centred churches with godly leadership to be planted in all major cities and towns. Pray that God would call many indigenous men to become elders who will be faithful to biblical truth.

Did you know? Even as recently as 1980, evangelical pastors would have a 'guardian angel' from the communist authorities, listening to their preaching and spying on them, looking for something to use in blackmail.

UKRAINE

Group: E
Capital: Kyiv
Population: 36.7 million

Religion: 79% Christian (mainly Ukrainian Orthodox)
3.8% Evangelical

What to pray for: Pray that Ukraine will survive brutal aggression and be a channel of new life for many, and that God will heal the wounds of the people.

Did you know? All Ukrainian presidents take the oath of office using the Peresopnytsia Gospel dated 15 August 1556, which is the first translation of the Gospel into the old Ukrainian language.

TÜRKIYE

Group: F
Capital: Ankara
Population: 85.8 million

Religion: 97% Muslim
0.2% Christian, <0.1% Evangelical

What to pray for: There are an estimated 10,000 believers in Türkiye, many of whom are the only believers in their families. Pray for these young believers to be grounded in the Word of God. Some provinces still have no church. Pray for these areas to be reached with the Gospel.

Did you know? Followers of Jesus were first called 'Christians' in Antioch, which is in Türkiye. Last February, Antioch (now known as Antakya) was devastated by a huge earthquake. The city was largely wiped out. But from the ashes faith and new birth are rising. Each Sunday 200 now gather in a temporary ministry centre and a new church building is being constructed.
